BENNETT FUNERAL HOMES
A Tradition of Caring Since 1897

Bennett Funeral Home was established in 1897 to serve the needs of Richmond families. Since then this locally owned and operated business has continued to serve the community with its unique combination of caring and convenience.

This tradition of excellence can be seen in the four beautiful chapels located throughout the Richmond area: centrally located on Cutshaw Ave in the city, on Broad St Rd past Innsbrook, serving the Hanover-Mechanicsville area on Lee-Davis Rd; and our newest location in Chesterfield, 14301 Ashbrook Parkway, just off of Winterpock Rd in the Brandermill area. All four facilities are under the direction of Charles D. Morehead, Sr., President and General Manager.

In a time of need you can turn to Bennett Funeral Home with trust and confidence. Bennett’s serves families of all faiths with personal service, before, during and after. Theirs is a long tradition of professionalism and caring.

One way in which Bennett cares for families is by offering a convenient and personalized pre-need program. Through this program of thoughtful pre-need planning you can spare your loved ones the burden of making decisions at an emotional time. Call Bennett Funeral Home at 359-4481 to schedule a pre-need consultation.

In case we haven’t met, my name is John Edelin, and I own Air-Pro Mechanical, a full-service heating and air conditioning company. I have over 40 years of experience in residential, commercial and industrial HVAC work, and I would like to be “YOUR” Heating and A/C Contractor.

Your HVAC system is not unlike the engine in your car. Without proper maintenance, there will be a problem.

HVAC systems can be responsible for up to 46% of your total household electrical bill. An unmaintained system can cost hundreds of dollars per year in higher electric bills.

In today’s economy, our clients want to get the most from their HVAC investment. Routine review and optimization can help ensure a productive life span.

Call today and ask about our popular service agreements. We help our clients save time, trouble, and money.

For honest and dependable work or if you just need some advice, please give me a call at 355-PROS.
